BUILD A KLEPPER®

What Klepper Folding Kayak is right for me? 9 Options!

OPTION 1: HOW MANY PADDLERS?
<input type="checkbox"/> 1 Paddler. Single seater- I prefer paddling my own kayak
<input type="checkbox"/> 2 Paddlers + 1 small child or dog. Double Seater Klepper. I will paddle with a partner, but can also paddle solo.
<input type="checkbox"/> 2-4 Paddlers (including children or dogs): Triple/Quadruple Klepper. I will paddle with the whole family or I need room for lots of gear

OPTION 2: LENGTH OF BOAT?	
Singles Lengths	
<input type="checkbox"/> 450 cm / 14'9" (Classic, Expedition)	<input type="checkbox"/> 380 / 12'6" (only Scout/Tramp)
<input type="checkbox"/> 490 cm / 16'1" (Classic, Expedition, Quattro)	<input type="checkbox"/> 400 cm / 13" (Sprint or Smart Alu 400)
Doubles Lengths	
<input type="checkbox"/> 520 cm / 17" (Classic, Expedition, Quattro)	
<input type="checkbox"/> 545 cm / 17'11" (Classic, Expedition, Quattro) **most popular!	
Triple/Quadruple Length	
<input type="checkbox"/> 585 cm / 19'2"	

OPTION 3: HULL MATERIAL?
<input type="checkbox"/> Classic: gray Hypalon with same thickness as Expedition but no external coating. Wide temperature resistance. **most popular!
<input type="checkbox"/> Expedition: black Hypalon with external coating for abrasion and resistance and factory-installed reinforced keel strips. Wide temperature resistance. Also on the Sprint 400 model.
<input type="checkbox"/> Smart Line with PVC: lightweight and less expensive than Hypalon or TPU, in gray (double) or blue (single)
<input type="checkbox"/> TPU (Expedition or Quattro models): lightweight and excellent abrasion resistance, very good tear strength, bottom factory-installed keel strip and outstanding low temperature flexibility. Up to 40% lighter than Hypalon.

OPTION 4: 2 OR 4 SPONSONS?
<input type="checkbox"/> 2 sponsons: all Kleppers come standard with 2 sponsons, one on each side.
<input type="checkbox"/> 4 sponsons: Quattro models come with 4 sponsons, 2 on each side for increased load capacity and maximum buoyancy and safety. With fully inflated air sponsons, the hull shape changes from a V to a U for maximum payload and shallow water efficiency.

OPTION 5: FRAME?

- Wood, Blond (Classic, Expedition, Quattro and Smart 520)
- Wood, Black (Quattro only)
- Aluminum (Sprint 400 or Smart Alu 400)
- Carbon (Double Expedition or Quattro only)
